

In support of HBACT 2007 Showcase Home, Summit Residential LLC  
challenges you to participate in:

**THE BARLETT HOLLOW  
BIRDHOUSE COMPETITION  
TO BENEFIT MIDDLESEX HABITAT FOR HUMANITY**

Participants will pay a \$20 entry fee and receive a simple, precut, easy to assemble birdhouse kit. Competitors must use the original birdhouse kit in some way, and from that common starting point, it's up to you to customize and personalize your bird house! So go wild...Color! Trusses! Dormers! Turrets! Stilts! Hotels! Castles! Cottages! Stained glass windows!

*So you think your birdhouse is better, eh? Show us!*

As an added incentive, a **special HOBI Award** will be given out for the best birdhouse at this year's ceremony, so bring on your skills, imagination, creativity and competitive spirit!

Each finished masterpiece will be on display at our Showcase Home and auctioned off during a special event, Taste of Habitat, on Friday, September 14. Watch for more information on the event coming soon.

The only restriction is that bird house auction winners must be able to take them home that night... so nothing too big!

Contact: Georgia Newcomb, Sales manager at Bartlett Hollow for questions and to arrange your participation and get your birdhouse kit. 860-346-8882.

Deadline for completion: September 12, 2007.
